Overview | Early Voting | General History | Party Affiliation | Gender Breakdown | Age Ba

The shade compares Democratic primary voters with Republican primary voters, among people who voted. General-election voters are included in the total, which pulls a county or district toward purple. A lead of 20 points or more is dark. A smaller lead is light. Within 5 points is purple.

Voters by County

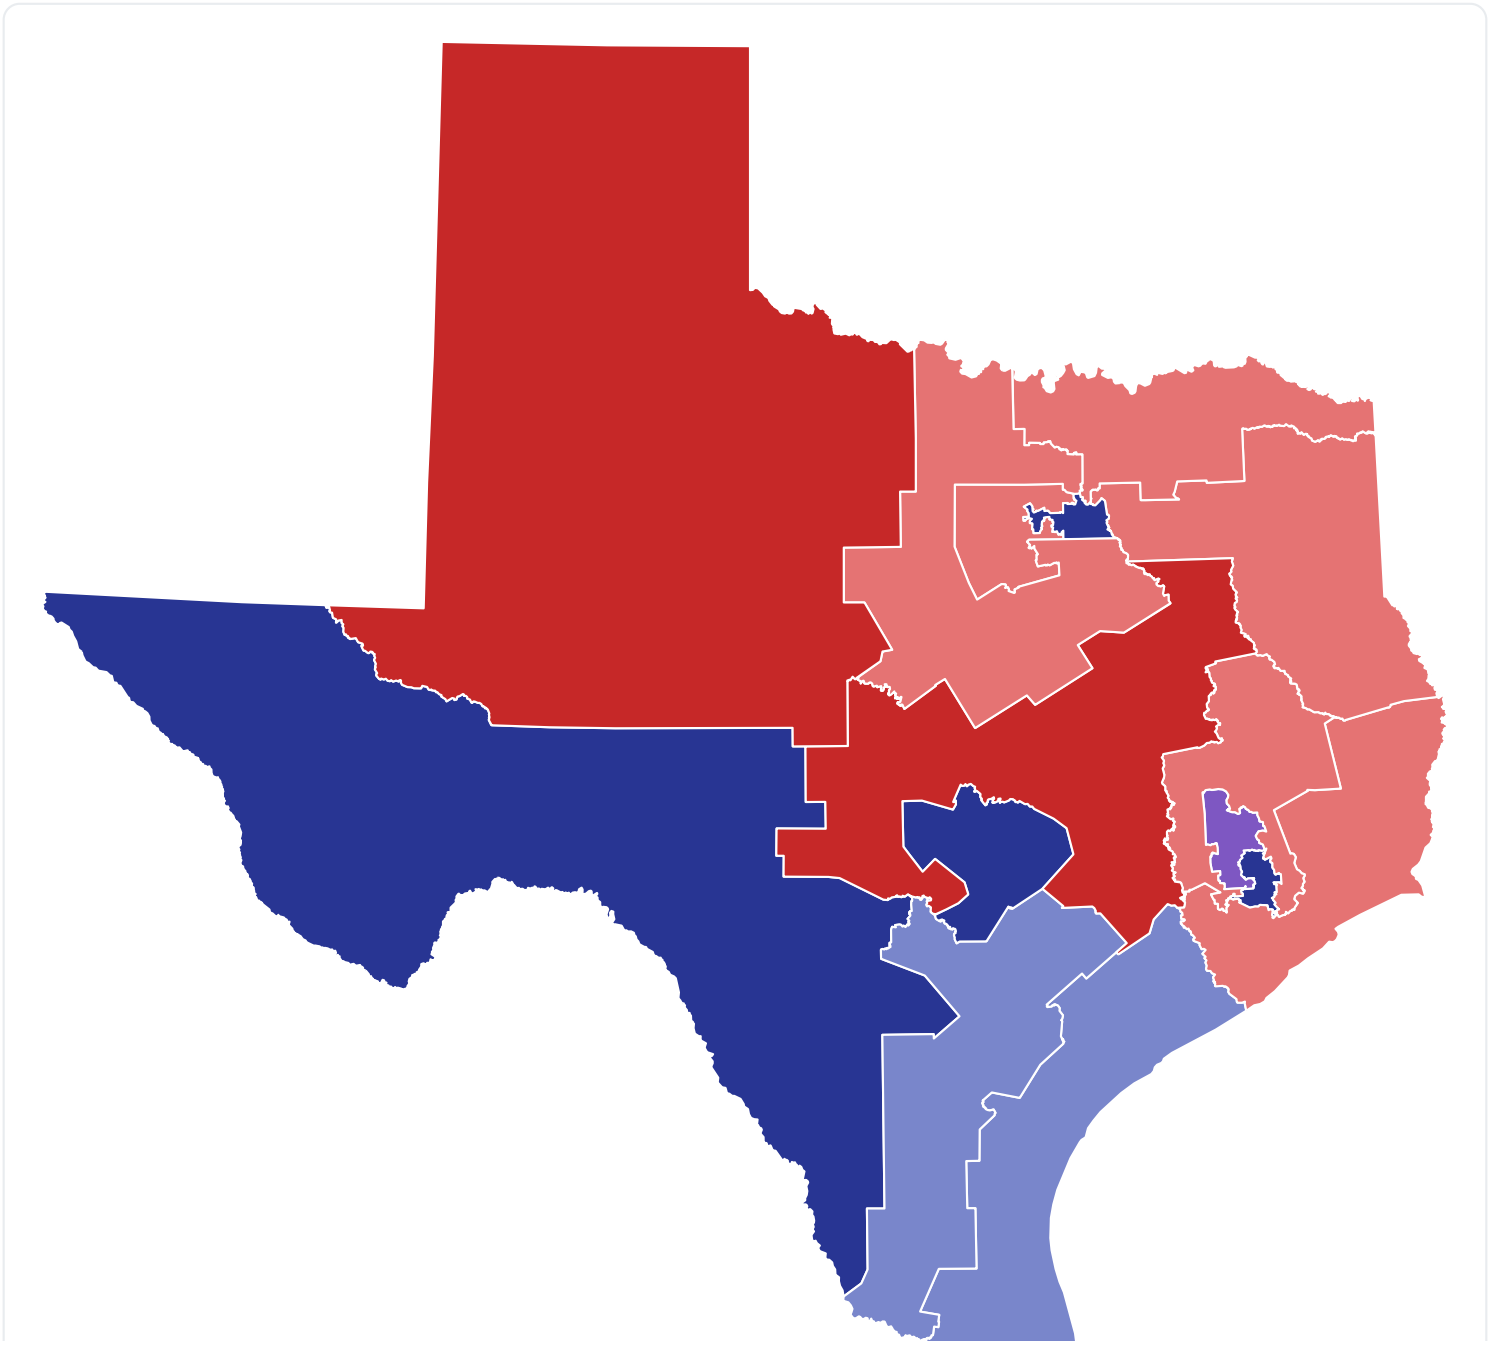

254 Texas counties.

Strong Democratic | Leans Democratic | Close | Leans Republican | Strong Republican

Voters by SBOE district

State Board of Education districts, Plan E2106.

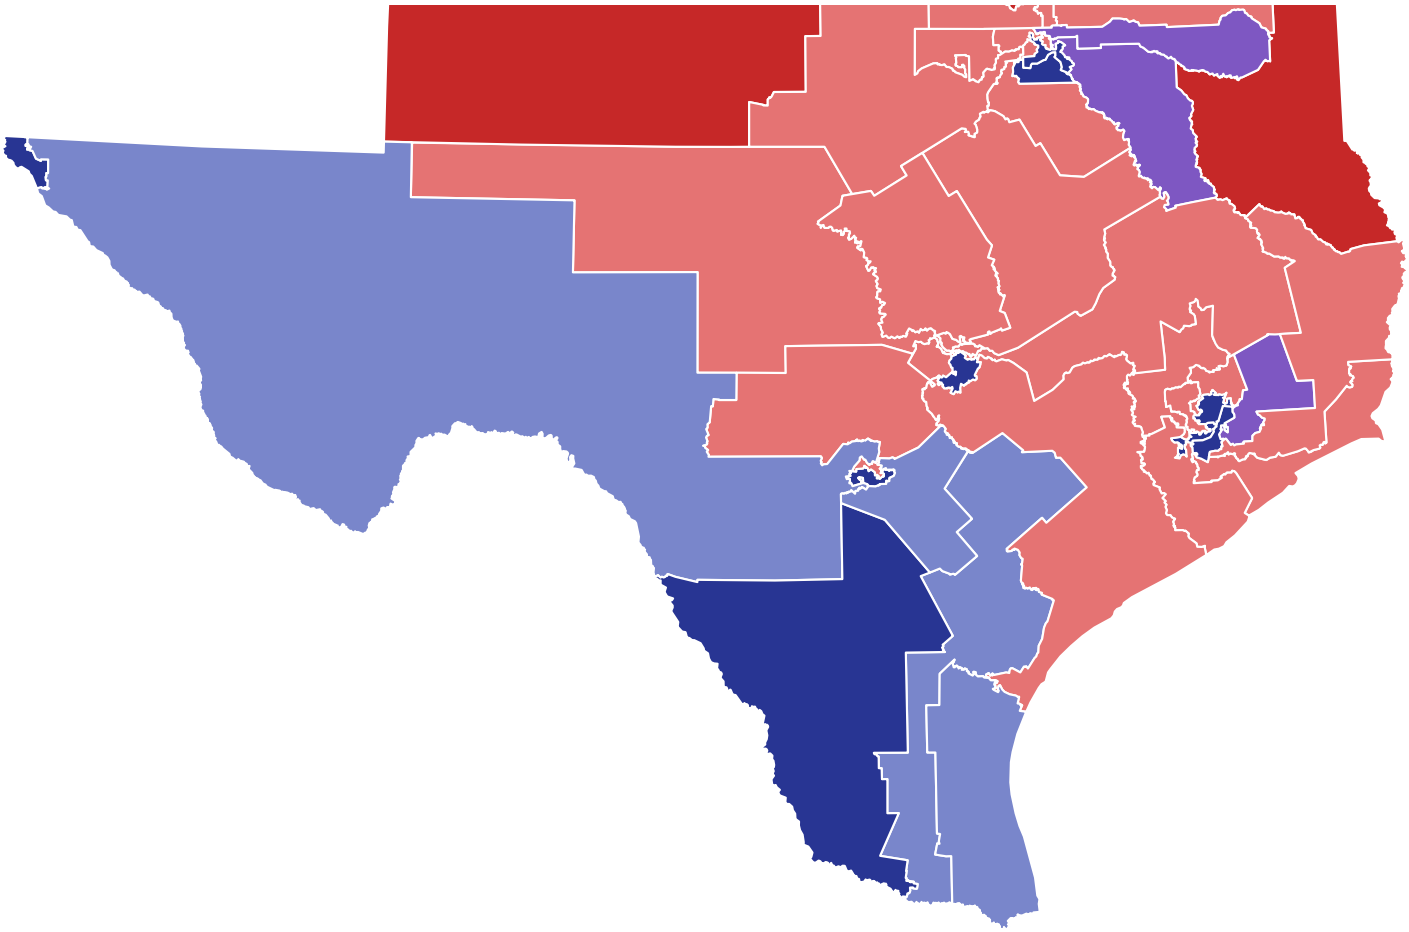

Strong Democratic | Leans Democratic | Close | Leans Republican | Strong Republican

Congress districts, Plan C2333.

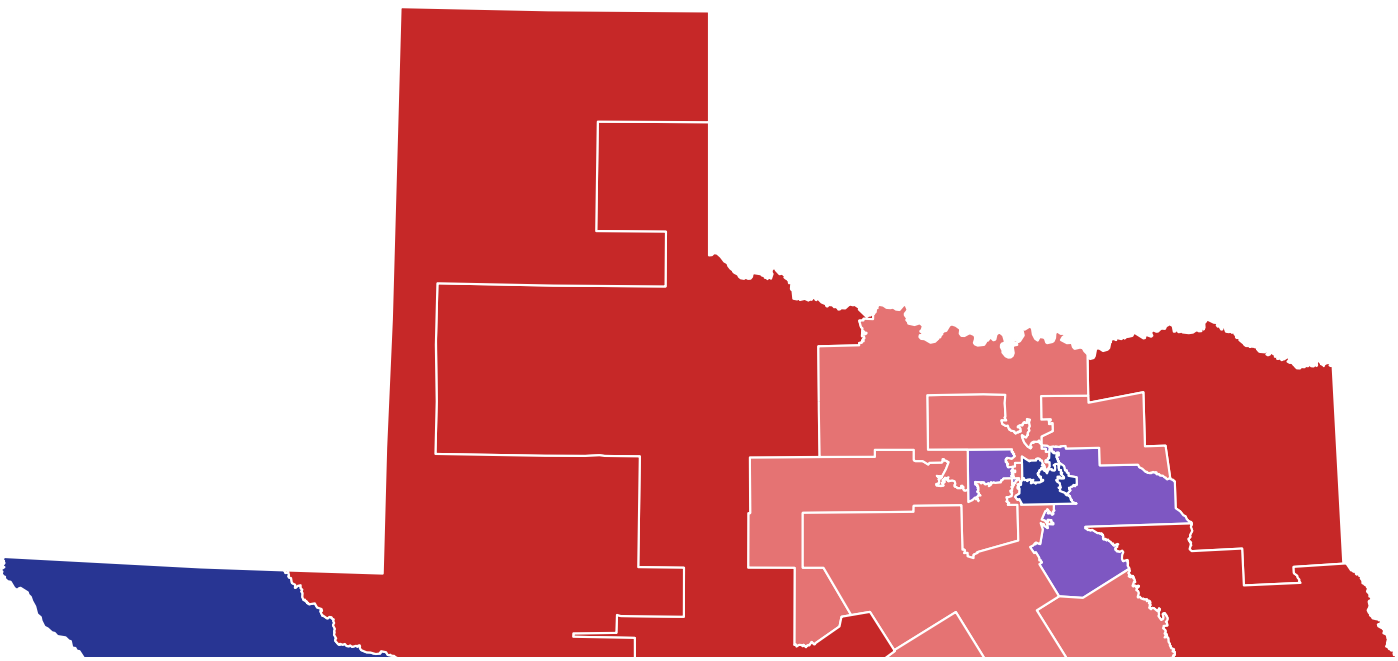

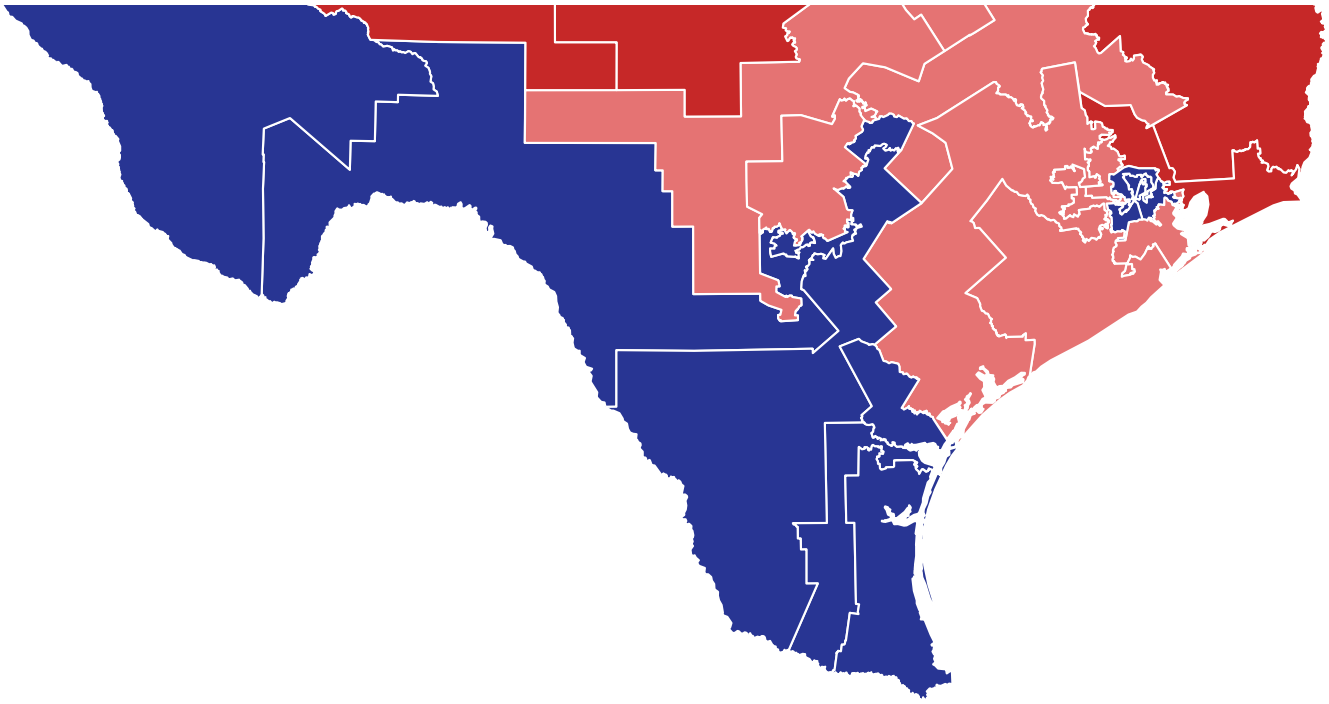

Strong Democratic | Leans Democratic | Close | Leans Republican | Strong Republican

Voters by Senate district

State Senate districts, Plan S2168.

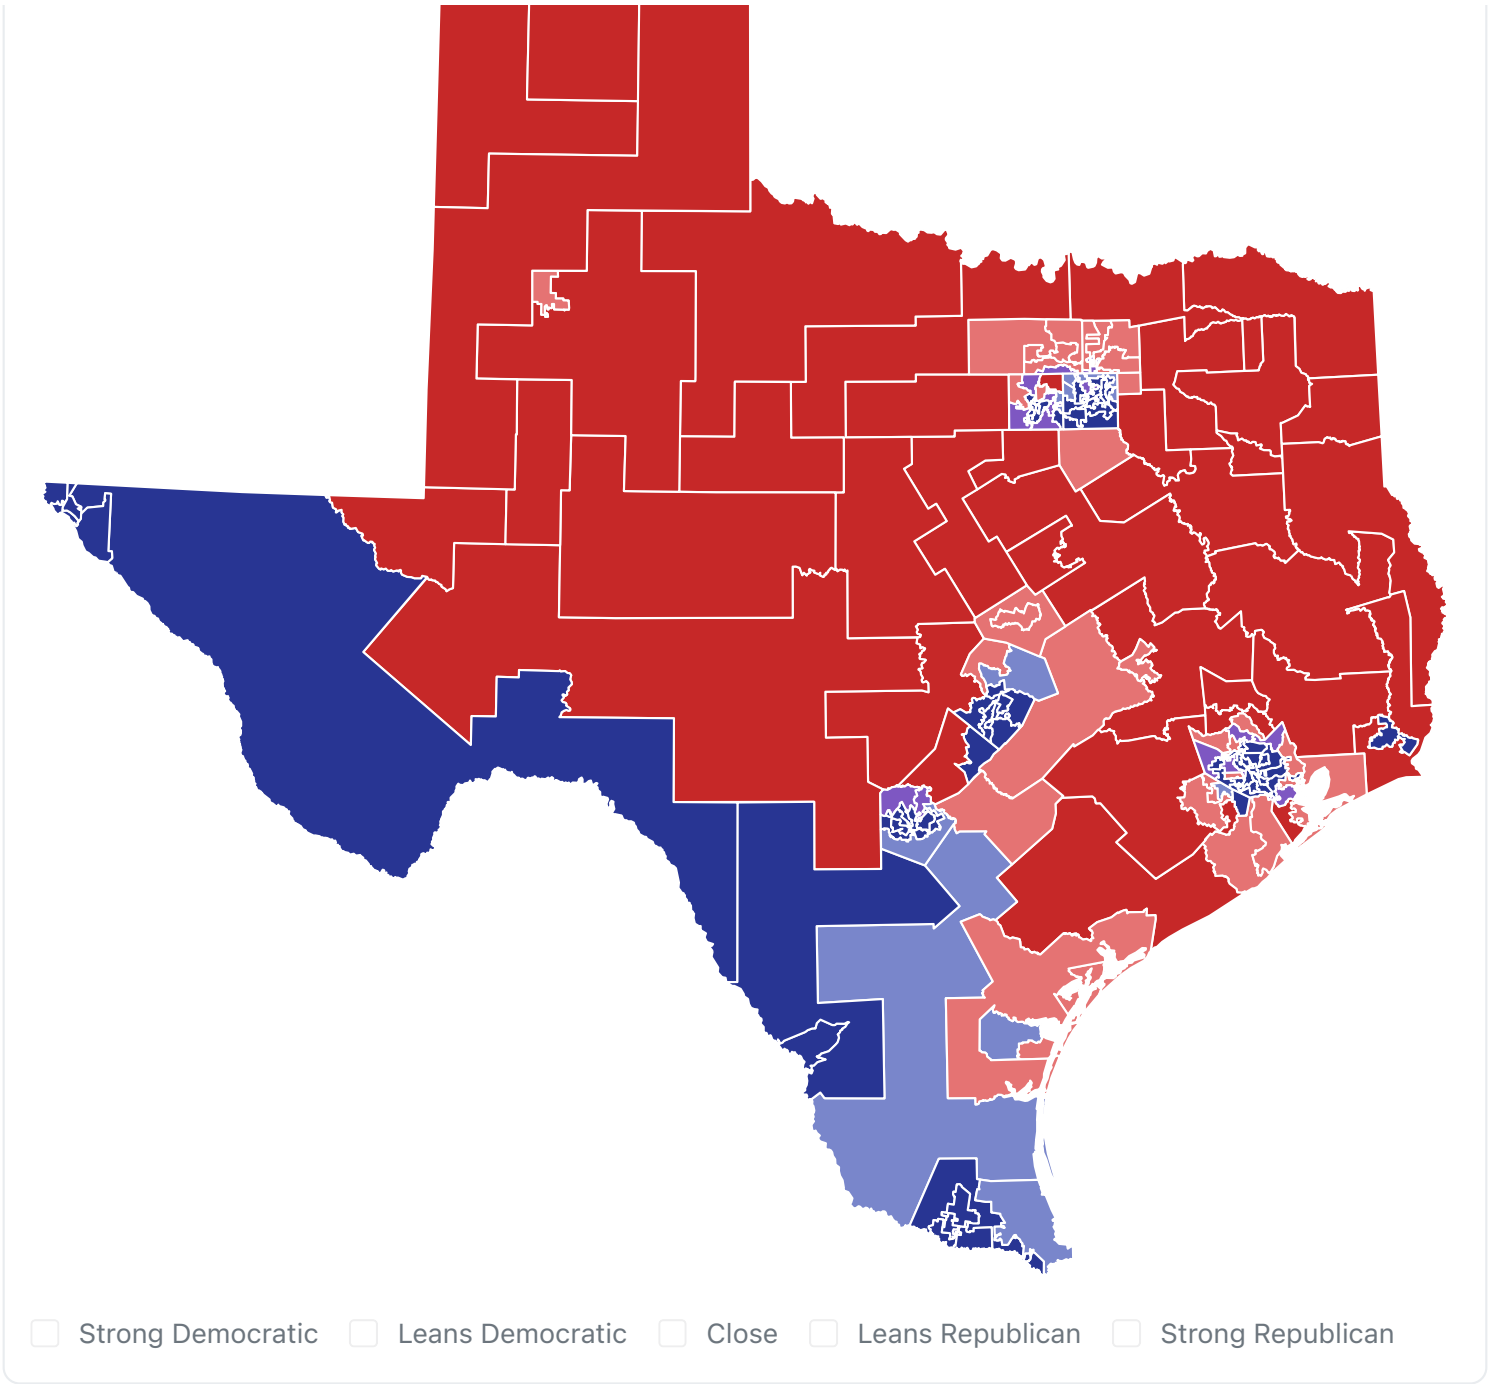

Strong Democratic | Leans Democratic | Close | Leans Republican | Strong Republican

Voters by House district

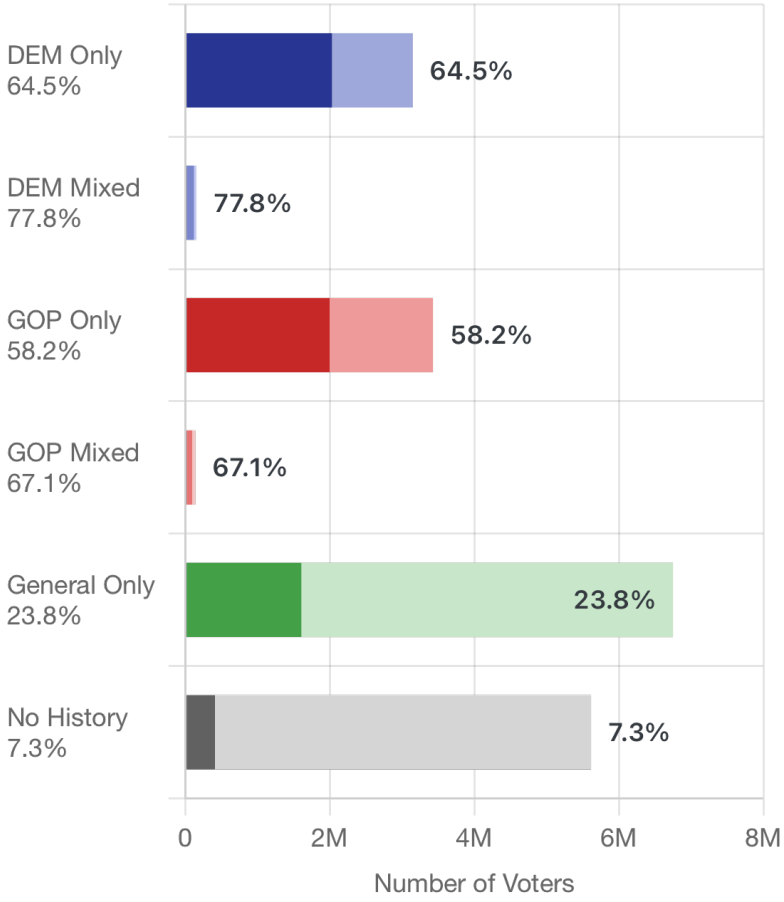

State House districts, Plan H2316.

Early Voter Previous History Breakdown

Each bar is one voter group. Bar length is the number of active voters in that group. The **solid** segment is people who have voted; the **light** segment is people in the same group who have not voted. The percentage is that group's turnout.

DEM Only **64.5%**

Voters who have only participated in Democratic primaries.

Solid blue = voted (2,028,322) Light blue = not voted (1,118,014)

3,146,336 active voters

DEM Mixed **77.8%**

Voters who have participated in both primaries, but most recently in a Democratic primary.

Solid blue = voted (118,214) Light blue = not voted (33,636)

151,850 active voters

GOP Only **58.2%**

Voters who have only participated in Republican primaries.

Solid red = voted (1,994,902) Light red = not voted (1,430,876)

3,425,778 active voters

GOP Mixed 67.1%

Voters who have participated in both primaries, but most recently in a Republican primary.

Solid red = voted (91,873) Light red = not voted (45,102)

136,975 active voters

General Only 23.8%

Voters who have only participated in general elections, not primaries.

Solid green = voted (1,604,186) Light green = not voted (5,144,344)

6,748,530 active voters

No History 7.3%

Voters with no recorded voting history.

Solid gray = voted (407,493) Light gray = not voted (5,207,453)

5,614,946 active voters
